Re: Stericycle, Inc
El Paso
El Paso County, Texas

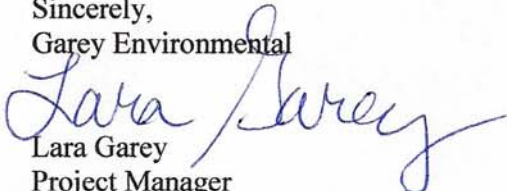

Dear Mr. Baker:

Garey Environmental is preparing a Municipal Solid Waste Type V Registration Application for Stericycle, Inc. for the transfer and treatment of special waste from health care related facilities. The facility is located at 5307 El Paso Drive, El Paso, El Paso County, Texas. A map depicting the location of the project site is attached.

The purpose of this letter is to request a review of cultural resources of interest in the area and obtain a letter from the Texas Historical Commission in accordance with the requirements set forth in the Texas Commission on Environmental Quality (TCEQ) Municipal Solid Waste (MSW) Regulations, 30 TAC §330.61(o). If you determine that the above referenced project may proceed, past practices of stamping the request letter with your determination is acceptable documentation. The letter may be scanned and emailed to my attention at laragarey@gareyenvironmental.com

Thank you for your prompt attention to this matter. If you have any questions or need additional information, please contact me at (936) 499-1041.

Sincerely,
Garey Environmental

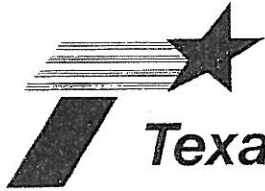

Lara Garey
Project Manager

Gary Environmental
Ms. Lara Garey, Project Manager
1401 Rimstone Dr.
Cedar Park, Texas 78613

Dear Ms. Garey:

The Texas Department of Transportation (TXDOT) received your coordination letter dated August 29, 2011. The site in question is located off-state Right of Way System. TXDOT has no comments for the site therefore your company is able to proceed with the necessary construction work.

If you have any questions or would like more information, please contact my office at 915-790-4306.

Sincerely,

Edgar E. Fino, P.E.
Transportation Engineering Supervisor

El Paso, TX 79902

Re: Stericycle, Inc. - El Paso Facility
5307 El Paso Drive, El Paso, Texas

Dear Mr. Ada:

LNV has prepared a new TCEQ Type V Municipal Solid Waste registration application for Stericycle, Inc. located at 5307 El Paso Drive, El Paso, Texas. The Stericycle, Inc. - El Paso Facility is an existing facility authorized by TCEQ Registration No. 40094 to transfer regulated medical waste. The new registration application is being submitted to make changes such as hours of operations.

This letter and the enclosed TCEQ Registration Application Parts I and II are being submitted in accordance with 30 TAC §330.61(p) to obtain a review letter from the Rio Grande Council of Governments stating **"The proposed medical waste processing facility is consistent with the Regional Plan"**. If Stericycle's El Paso Facility is consistent with the regional plan, please include the underlined language in your correspondence.

Please let me know if you need additional information. I can be reached at (361) 883-1984 or via email at ahesseltine@lvinc.com.

Sincerely,

Amy R. Hesseltine, P.E.
Project Manager
